Zoom Best Practices

Please log in with your **First and Last Name**

Audio

- Connection Type: Ensure the meeting control panel is set to the correct audio input and output device. Click the caret (^) on the Mute button to locate these settings
- Ensure clear audio. Use a connected or Bluetooth headset or earbud with microphone.
- You will be muted in the main room. You can unmute in the breakout discussion teams.

Video

- Webcam video is optional.

Other Information

- Participants will only be able to Chat with the Host and Co-hosts and not directly with each other.
- For any audio or video problems, direct questions to PJ Petrick, Lead Technologist & Zoom meeting host
Email: Petrick.patrick@spcollege.edu
Cell: +1 727-688-9035

Please stay logged in to the meeting during the entire time, including breaks
